MEZZO restaurant

Welcome to Mezzo!

When we opened Mezzo in September 2004, we wanted our very first self-owned restaurant to be the kind of place that we like to go to as guests. Mezzo has seen many improvements and changes over the years, but the main focus has stayed the same.

As restaurateurs we are very pleased to offer our guests a classy atmosphere that is still personal and cosy at the same time. We think that enjoying life and enjoying good food are two things that have a lot in common, and that is something that we would like to share with our guests. We are not looking to just serve you a meal, we would like you to take a minute off from your busy schedule and just enjoy.

We hope that you will enjoy the cosy yet stylish atmosphere of Mezzo, please let us know if there is anything else we can do to make your visit as agreeable as possible.

*The Ruhotina Family
and the team from Mezzo
hope that you will enjoy
your meal!*
